THE JUDGES' LODGINGS MUSEUM

Bringing the stories of Lancaster to life through the city's oldest town house.

We begin with a tour of this grade 1 listed museum, the majority of which was constructed in the early 1600's and was the home of the infamous gaoler of the Lancashire witches, Thomas Covell. It contains the world's largest public collection of furniture by Gillow & Co., contemporaries of Chippendale, mentioned by Jane Austen. Due to the age of the building disabled access is limited. Refreshments will be served. Full details are available from Jean Holland.

After the tour we depart for a light lunch at

MORECAMBE GOLF CLUB

Then on to the

WINTER GARDENS MORECAMBE

For a guided tour as a follow-up to our visit to the Grand Theatre Blackpool last November. This will give you an opportunity to take in this theatre's architecture and enjoy a glimpse behind the scenes backstage and step on to the stage where so many famous names have performed. You will see the breath-taking mosaic tiled floor and marble steps. You will hear about the Winter Garden's future and plans for its regeneration before leaving for home at about 4.00pm.
