LADY LEVER GALLERY AND PORT SUNLIGHT

You will arrive at the Lady Lever Gallery at around 10:30am where you will be able to buy refreshments at the cafe before perusing the exhibits in this beautiful gallery. Lunch is also obtainable in the cafe, or you could bring your own, before being picked up at 2:00pm by our own coach for a tour of Port Sunlight with their guide. We will take in the award winning museum, the Workers' Cottage and the new exhibition at the Soap Works.

Port Sunlight was originally built by William Lever to house the workers of his nearby soap factory, Lever Brothers. He had a strong sense of social responsibility and created a village with architecturally interesting buildings, open green spaces and tree framed vistas to make the village an uplifting place to live and work, as well as an ideal place to explore.
