A trip to Preston to visit the Harris

The Arts Society Fylde is pleased to offer a visit to the Harris Museum, Library and Art Galley in Preston. The Harris reopens in September 2025 after a £19 million restoration project funded by Preston City Council, The National Lottery Heritage Fund, the Government's Towns Fund, Lancashire County Council and other funders.

Our trip includes two curator-led tours of the Harris, including "behind the scenes" with Scott Schiavone, the Decorative Art Curator at the Harris, who is also presenting our October 2025 lecture. The visit includes coach travel from Lytham St Annes with tea or coffee on arrival, a sandwich lunch and the two tours (one before lunch and one after).

The Harris has set a limit of 30 participants, so early booking is recommended.
