Day 1

We meet at Liverpool airport for our direct scheduled Easyjet flight to Belfast. On arrival at Belfast we are met by our guide and private coach, and transfer to the National Trust's Mount Stewart House and Gardens. Offering magnificent views over Strangford Lough, the famous gardens at Mount Stewart were planted in the 1920s by Edith, Lady Londonderry. We continue to the 4* Dunadry Hotel and Country Club at Templepatrick for a four night stay on a half board basis.

Day 2

With our guide this morning we enjoy a guided tour of Belfast, taking in sights such as St Anne's Cathedral and Stormont Castle. This afternoon we visit the Ulster Museum, located in the Botanical Gardens and home to a wonderful collection of fine and applied art. Renowned as Belfast's best known museum, the Ulster Museum is home to a fine collection of paintings by modern Irish, and particularly Northern Irish artists.

Day 3

Our guide meets us at our hotel this morning and accompanies us throughout the day. We travel to the North Antrim coastline today and visit the National Trust's Giant's Causeway, a World Heritage Site internationally acclaimed for its outstanding natural beauty, formed from lava eruptions over 60 million years ago and with many rich traditions in explanation of its strange rock formations. This afternoon we visit The Walled Garden at Glenarm Castle, the ancestral home of the Earls of Antrim. Since opening to the public in 2005, the restoration of The Walled Garden has continued under the stewardship of Nigel Marshall, formerly Head Gardener at Mount Stewart. There are herbaceous borders, a rose border, mound and water features.

Day 4

This morning our guided tour of Derry, UK City of Culture in 2013, takes in the Bogside and the City Walls, completed in 1618 and amongst the best preserved city fortifications in the Western world. We then visit the Tower Museum, depicting the story of Derry's history, from its geological formation millions of years ago, right up to the present day. Covering everything from the Plantation through to the Siege of Derry and the city's troubled political past, the museum also houses the Armada Shipwreck exhibition that explores the recovery of La Trinidad Valencera, shipwrecked off the coast of Donegal in 1588. The rest of the day is at leisure in Derry.

Day 5

We spend some time at leisure in Belfast this morning. With our guide we then visit the Titanic Experience, housed in a new £90m, six floor building as high as the world-famous ship's hull and located beside the historic site of its construction. This state-of-the-art visitor experience tells the story of the Titanic, from its conception in Belfast in the early 1900s, through its construction and launch, to its famous maiden voyage and tragic end. We continue to Belfast Airport for our direct scheduled flight back to Liverpool.

NB:- Please note we reserve the right to alter the above itinerary if required for operational reasons. Given the historic nature of the places visited, a certain degree of walking will be involved, and this holiday may not be suitable for those with mobility problems.
